

The Dog Pound

Hot Dog Steamer

Front View

Rear View

This high quality steamer holds up to 164 hotdogs and 36 buns. The unique divided hotdog tray allows for different sizes of dogs or sausages to be cooked and merchandised simultaneously. Stainless steel construction and removable product trays and doors insure ease of cleaning. Graphics on the front and back allow for either front-counter or rear-counter merchandising. The Dog Pound is covered by Benchmark USA's exclusive three-year warranty.

- Stainless steel construction for clean-ability and durability.
- Removable product trays and doors for easy sink or dishwasher cleaning.
- Low water LED and illuminated ON/OFF switch.
- Accommodates any size hotdogs and sausages.
- Adjustable thermostat for all cooking and holding conditions.
- Seven quart reservoir for long holding times.
- Sliding doors for easy access to food-zone.
- Attractive front and rear graphics for all merchandising configurations.
- Covered by Benchmark USA's exclusive three-year warranty.
