

Portable Cambar®

Model BAR540

Features & Benefits

- Design combines form with function to create an efficient profit making beverage service station.
- Rounded corners and molded compartments are shock absorbent to protect valuable glassware and bottles during transport.
- Recessed work area prevents spillage and provides ample room for drink preparation.
- Seamless, double-wall, high-density polyethylene construction. Won't rust, peel, crack, chip or dent.
- Top shelf removes for easy and complete cleaning.
- Deep ice sink holds up to 100 lbs. (45,5 Kg.) of ice.
- NSF listed threaded faucet drain with standard hose hook-up is located under ice sink and provides easy draining and cleaning.
- Four each 5" (12,7 cm) swivel casters w/ brakes ensure easy maneuvering at any event.
- Removable speed rail holds 5 bottles for added convenience.
- Non-electrical.
- No assembly required.
- Available in 10 colors.
