

EZ Serve™ Condiment Cart

Stainless Steel With VolPak® System

Model #70211

Model #70270

All of the convenience of VolPak condiment dispensing without the hassle of CO₂ tanks and pumps.

- Utilizes convenient, economical disposable 3-gallon condiment pouches.
 - Reduces labor to refill and clean pumps and containers by as much as 75%.
 - Eliminates theft and waste up to 30%.
 - Decreases food costs up to 30%.
- No refrigeration, electrical power or CO₂ tanks needed - operates with easy to use hand pumps
- Safe and sanitary method of dispensing.
 - Sealed, sanitary pouches are vacuum sealed.
 - Reduced risk of bacterial contamination and customer intervention.
 - Pouches are easier and safer to handle than cans.
- Durable, easy to use dispensers are within reach for teens and adults. Dispensers can be mounted in any direction.
- System handles various thicknesses of condiments, including available salsas and relishes.
- Pumps can be easily cleaned in place - no disassembly required.
- Stainless steel interior and exterior is easy to clean and sanitize.
- Easy to maneuver with four tough-duty 5" (127 mm) swivel casters, two with brake.

Snap-on connectors make changing bags easy. One connector fits all condiment brands.

Lift-out bins simplify changing condiment pouches and cleaning.

Convenient hand key screw clamps make hose removal and cleaning easy.

Optional etched or color coded pump knobs easily identify condiments.
