Premiere Series™ Laminate Folding Table

SPECIFICATION

Various tables in Banquet, Round, and Training

Table Tops

- Table core is constructed of 18MM calibrated exterior glue plywood with “bb” face and “cc” back. Meets California Air Resources Board’s Phase 2 Formaldehyde Emissions Standards.
- Laminate surface is a WilsonArt® high-pressure laminate
 - Meets or exceeds NEMA specifications
 - GREENGUARD® Indoor Air Quality Certified
 - Wood fiber content constructed of a minimum 20% post-consumer waste paper (SCS certified)
- Backer sheet is phenolic material, color black
 - Constructed of a minimum 30% recycled pre and post-consumer mix (SCS certified)
- Self-supporting steel chassis
 - Consisting of two each 2” x 1” x 1/8” rails
 - Constructed of 14 gauge, rolled, high carbon steel, running the length of the table
- Rubber stacking buttons of 1” dia. are secured to each leg
- Support structure/rails are attached to tops with screws
- Understructure and legs are joined to function as a one-piece “unitized chassis”

Edge Molding

- Edges are protected with 0.755” PVC vinyl “T” molding, color black, extruded in a “bull-nose” shape.
- Edge molding is secured through serrations in the vinyl molding’s “T” base and stapled on both sides of the single molding seam.

Legs

- Table legs are constructed of 19 gauge, 1.5” square steel tubing
 - For extra strength, a 1.5”x1.5” stretcher piece or leg brace is welded between the top of leg
 - Leg assembly is riveted to side rails with 1/4” solid steel rivets
 - Vertical tubing rests on four non-marking plastic glides
- Each leg is braced with a 13 gauge steel hinge, riveted once on each end to the rail the table leg
- Legs lock in place with a push button/trigger lock mechanism
- Legs are capped with sturdy plastic non-marking glides
- Legs are attached to table top with countersunk screws
- Standard table height is 30” from floor to top of table surface

Metal Finish

- All metal parts are treated for corrosion resistance and paint adhesion
- Metal surfaces are finished with a baked on black epoxy powder coating for superior resistance to abrasion, marring & scratching

Warranty

PS Furniture warrants that its Premiere Series Laminate Tables shall be free from defects in original materials and workmanship for a period of five years from the original shipment date. Warranty on sales for rental use is limited to one year. This warranty shall not apply to normal wear and tear or in the event products are damaged as a result of misuse, abuse, vandalism, neglect, accident, improper application and modification or repair by persons not authorized by PS Furniture. The company will, at its discretion, repair or replace any defects. Any repair or replacement must be approved in advance by the factory before any action is taken. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
