200 Series Plywood Folding Table

SPECIFICATION

Various tables in Banquet, Round, Training, Cocktail, Half-Round, Quarter-Round, and Serpentine

Table Tops

- Table top is constructed of 15MM calibrated moisture resistant plywood with “bb” face and “cc” back
 - Corners are rounded (1 1/4” radius)
 - Top is coated with a walnut sealer stain and three coats of ultra-violet light cured polyurethane
 - Bottom side is coated with walnut sealer stain
- Table tops are supported with sled style, full length North American hardwood runners, principal species Ash or Red Oak, with a chamfer end for ease of handling/stacking. Runners are secured with round-head steel carriage bolts, each offering 700 lbs of rupture resistance

Edge Molding

- Edges are protected with a “C-Channel” shaped, T4 grade aluminum edge molding. Molding is secured with steel staples inserted on both sides of seam joint

Legs

- Legs are wish-bone style, manufactured with cold-rolled 16 gauge, 1” diameter galvanized steel tubing
 - For extra strength, steel horizontal cross-bars (tubing) are inserted fully into each vertical tubing component and joints are hand welded around the entire circumference of the joint
 - Legs are secured to table top with round-head carriage bolts and 3/16” steel “L” brackets
 - All rivet are solid steel and all joints are hand welded
 - Vertical tubing rests on four non-marking plastic glides
- Locking mechanism is a drop-ring gravity lock
- Standard table height is 30” from floor to top of table surface

Warranty

PS Furniture warrants that its 200 Series Plywood Tables shall be free from defects in original materials and workmanship for a period of five years from the original shipment date. Warranty on sales for rental use is limited to one year. This warranty shall not apply to normal wear and tear or in the event products are damaged as a result of misuse, abuse, vandalism, neglect, accident, improper application and modification or repair by persons not authorized by PS Furniture. The company will, at its discretion, repair or replace any defects. Any repair or replacement must be approved in advance by the factory before any action is taken. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.
