

## 18" HOT FOOD MERCHANDISER Model 18MCP

### Features/Benefits:

- ★ Star's Hot Food Merchandiser is perfect for merchandising pizza and other menu items in 18-1/2" of counter space.
- ★ Adjustable infinite temperature controls for each shelf allow you to adjust your day part menu up to 180°F as your product needs demand.
- ★ Each shelf is individually heated allowing heat to permeate the pizza keeping them at proper temperature to serve hot, fresh and fast.
- ★ Two stainless steel solid heated shelves (17-1/2"W x 17-1/2"D) easily hold 16" pizzas.
- ★ Two 60 watt interior incandescent lights "showcase" your food for better impulse sales.
- ★ Plastic top allows application of attractive colorful "Fresh & Fast" graphics to enhance your grab and go impulse sales for the time starved consumer.
- ★ Thermometer is located on the interior side of the unit for easy reading of cabinet temperature.
- ★ Bottom control panel houses ON/OFF switch and individual temperature control knobs for each shelf.

### Application:

Star's Hot Food Merchandiser is the best way to serve your pizza or other menu items. Heats and serves product in convenience stores, snack bars, recreational facilities, fun centers, theme parks, restaurants, taverns or wherever you might want to serve the time starved consumer.

### Quality Construction:
