

MINI JETSTAR POPCORN POPPER

Model J4R

Features/Benefits:

- ★ Pops 115 one ounce servings per hour of Star's quality Chief's Choice brand popcorn (Contact factory for details).
- ★ Fits almost anywhere requiring only 16" of counter space.
- ★ 4 oz. aluminum kettle with stainless steel exterior shell for durability and maximum popping production.
- ★ Swing up/down kettle design allows easy dispensing of your popped corn into the cabinet and is easy to clean.
- ★ Heated stainless steel corn pan to keep your popcorn fresh and crisp when you want to snack.
- ★ A magnetic catch holds the one-piece kettle lid up for easy and safe loading of Chief's Choice popcorn.
- ★ Clear one-piece polycarbonate wrap construction for easy cleaning and visibility.
- ★ Clear one-piece polycarbonate door with aluminum hinge and magnetic catch stands up to constant use.
- ★ Stainless steel drop down panel for easy access and removal of old maids (unpopped kernels).
- ★ Bottom control panel has two ON/OFF switches. The left switch is for kettle heat and the right switch is for the 50 watt display lamp and heated corn pan.
- ★ Attractive colorful graphics to enhance impulse sales and emphasize the antique styling of the unit.

Model J4R
