## SR-18 STOCK POT STOVE / FRONT MANIFOLD SR-18-R STOCK POT STOVE / REAR MANIFOLD

Shown: SR-18 w/ Front Manifold

### GENERAL

The SR-18 stock pot ranges are basic units designed for stock pot use. A wok adaptor is available. The units feature a cast iron spider grate top and Town's high BTU input two ring burner. This is the only burner available. A stainless steel front shelf is supplied. A Delta T rated Solid brass valve with a solid metal handle stays cool and is standard. The open construction allows easy cleaning. The Outer body and the legs are Stainless Steel. A rugged interior chassis, formed from heavy duty steel angle iron is standard. Front or Rear manifold connections can be used for individual or battery installation. A gas pressure regulator and galvanized drip pan are included with the unit.

### MODELS

SR-18 and SR-18R are available for use with either Natural or Propane fuel. Designed for stock preparation. Designed for use with standard 55 quart- 120 quart commercial stock pots.
