

GREASE HOG

indoor

FEATURES AND BENEFITS

- Perfect for use in kitchens to stop oil and grease from being tracked into the dining rooms causing stained floors and slip and fall hazards.
- Solution-Dyed polypropylene fabric will not fade or rot.
- Permanently molded bi-level pattern on the carpet surface prevents pile from crushing and provides a anti-slip surface.
- Grease proof Nitrile rubber backing.
- Low profile fabric construction ensures easy cleaning and quick drying. Simply use mild detergent and hot water, brush with deck brush and or spray with water, and hang to dry.
- Low profile reinforced borders ensure mat will lay flat and will not crack and break while allowing carts to cross easily.
- Heavy construction makes this product less likely to “bunch-up” causing trip hazards.
- Unique disk pattern on back of mat keeps it in place on hard floor surfaces. Cleated backing is available for carpeted surfaces.
- Available in 3x5 and 3x10 sizes in stain hiding color: Coal Black.

Two backing patterns keep mats from moving.
