

Item No.

Ideal For Batch Cooking Large Volumes Of Chicken, Fish, And French Fries

These heavy duty 18" gas fryers are designed to provide fast recovery. Exclusive tube design minimizes cleanup time while maximizing heat transfer. The elliptical shape of the tubes eliminates sedimentation on tubes, improves shortening life and minimizes the number of times you have to drain fryer. The stainless steel tubes accommodate 150,000 BTUH burners with heat baffles for the best performance and recovery.

STANDARD FEATURES

Stainless steel frypot has a **10 year warranty**

Stainless steel front panel, trim and door

Tube type design assures maximum heat transfer in the 18" wide frypot

Unique shape of tubes allows access to cold zone for easy cleaning

Burner tubes are equipped with special heat baffles for fast recovery and energy efficiency

Recessed Lexan faced control panel protects controls from damage

Stainless steel basket hangers lift off for easy cleaning and access to the backsplash

Dual shortening levels (70 to 100 lbs) for varying cooking capacities

Model 18E shown on optional casters
