Standard Features of Alamo Pizza Prep Tables

► **Recessed Handle Design**

- Fully-recessed, full length door handles.

► **Self Closing, Lift Off Hinges**

- Self-closing swing doors with 90 degree stay open feature.
- Lift Off hinges for easy access and cleaning.

► **Extra Thick Insulation**

- 2.5" thick, foamed-in-place, CFC-free, polyurethane insulation.

► **Removable Door Gasket**

Makes cleaning and replacing easy.

► **Automated Defrost Function**

The unit automatically evaporates defrosting water.

► **Versatile Caster**

Our pre-installed casters allows easy set up and mobility for floor cleaning. Additional caster lock function ensures unit placements, stability, and prevents damage from moving.

► **Included Cutting Board**

Includes a white plastic cutting board conveniently located on top of the counter. Removable for washing and easy replacing.

► **Consistent and Efficient Cooling Method**

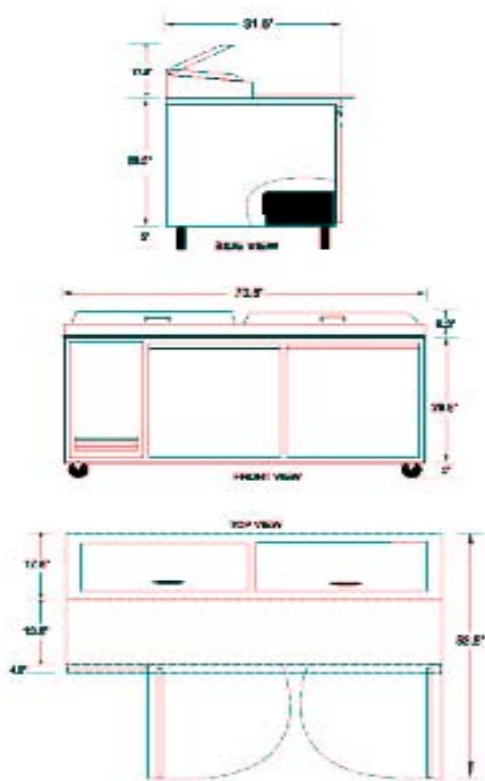

Forced-air system; most efficient cooling system that enhances cold air circulation enforced by inner fans. Helps generate quick refrigeration and recovery in balanced air temperature throughout the inside of the unit.
