The Aleco Energy-Saving
JetStream® Air Curtain produces a
high-speed air barrier, dividing areas
into two independent temperature
zones. Levels of interior air
conditioning / heating are maintained,
increasing comfort and saving energy.

## **Features:**

- Prevents cool or warm air loss
- Protects against dust, smoke fumes & flying insects
- Ivory baked enamel cabinet
- 3-Position switch (off / high / low)
- Remote Control
- Door activation plunger included
- Adjustable airflow with directional plenum
- Effective up to 8ft. heights
- 5 ft. long 110v prewired grounded plug
- Available in 36", 40", 48" and 60" models
