

**COMBITHERM®
POULTRY ROASTING
RACKS**

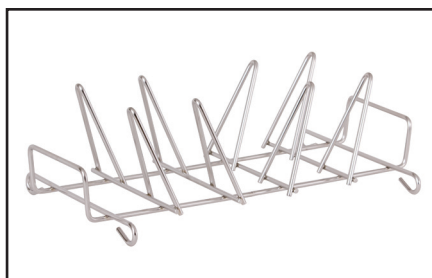

6-piece Poultry Roasting Rack
self-trussing, fits in side racks
[DESIGN PATENT D660647] 5014438

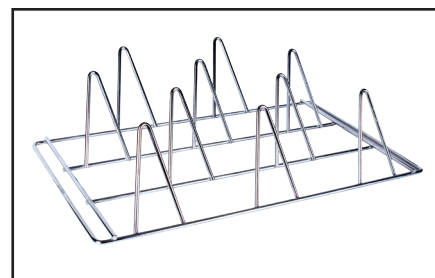

- Keep your poultry at their best and make them easy to handle.
- Ensure food quality and maximize the production flexibility and efficiency of your Alto-Shaam Combitherm combi oven with a variety of poultry roasting racks.
- Angled poultry roasting racks evenly space your birds allowing consistent roasting and the perfect golden brown finish desired.
- Designed for use in the Alto-Shaam Combitherm CombiOven, these stainless steel racks slide effortlessly into the oven without the requirement of additional support pans, making loading and unloading safe and efficient.
- 6-piece poultry roasting rack, 5014438, is self-trussing, cutting prep time and purchasing costs [DESIGN PATENT D660647].
- Self-trussing angled rack facilitates bird "dismounting" onto a full-size sheet pan for easy handling or bagging.
