

BL-29128 COMBI THERMOBAG

FITS PLATE OR PAN
TROLLEYS FOR MODELS:

- 20•20es
- 20•20esG

- Insulated materials keeps food hot for up to thirty minutes*.
- Designed to easily fit over the Combi plate or pan trollies.
- Velcro closures along the sides and bottom increase heat retention yet provide easy access to contents when needed.
- Nylon construction is easy to wash between uses.

SHORT FORM SPECIFICATIONS:

Alto-Shaam Combitherm® Combi™ Thermobag is constructed with an exterior material of Magnatuff Ultra Nylon with a textured surface and urethane protective coating. Interior lining consists of pack cloth and 420D LD nylon. Polyester insulation has a CLO value of 7.75 and R-value of 6.43, withstanding temperatures up to 440° F. Velcro closures located at the sides and bottom increase heat retention. Machine washable.

* For holding times in excess of thirty minutes, we recommend using Alto-Shaam's Combimate® companion holding cabinet.

RECOMMENDED USE

- Pull cart from Combi oven. Caution Hot!
- Place cover over the cart.
- Close front and secure velcro strips.
- Cinch velcro strips around the cart bottom.
- Lift side panel to begin serving.
- Between uses, machine wash and dry, using liquid detergent (*no bleach*). Close velcro flaps before washing. *Do not dry clean or use dish washer.*
- For complete buffet or plate retherm processes, contact an Alto-Shaam representative.
