ARKB HEAVY DUTY KEBOB BROILERS

The American Range heavy duty Kebob Broiler is designed to provide reliable, solid performance for many years. This Broiler allows juices from the meat to drip down onto the radiants, resulting in searing flames and smoke flavor. Innovative design features heavy gauge steel support bars specially spaced to allow sure support of the "shish" skewers. Individually controlled 30,000 BTU/hr burners located every six inches is designed to provide complete coverage of a large cooking area. Providing flexibility to operate chosen burners as needed thus saving energy. All our quality counter appliances come standard with a stainless steel exterior and the best warranty in the business. Look to American Range for innovation, reliable performance, quality and attention to your equipment needs and delivery, now and in the future.
