● **GEAR POWERED SCREW MOTOR.**

Our Heavy Duty Bull Grinder includes a powerful 1Hp to provide you with maintenance free. This provides you with the essential function to grind meat at a swift pace without crushing or mashing the product.

● **THE HIGH QUALITY STAINLESS STEEL SURFACES.**

Meat product will only contact the high quality stainless steel surfaces to ensure cleanliness as well as safety.

● **EASILY REMOVED AND CLEANED.**

The bowl assembly and feeding tray can be easily removed and cleaned without the inconvenience of using tools.

● **SAFETY OPENING FUNCTION.**

The stainless steel bowl assembly also includes a safety opening function to decrease the possibility of acquiring any injuries to the user.

● **CONFORMS TO ALL SAFETY REGULATIONS.**

● **THE REVERSE SWITCH.**

Another ideal advantage is the reverse switch. This special feature is intended to maximize productivity by reducing operator fatigue and discomfort.

● **OTHER IMPORTANT BENEFITS.**

Bull Grinder provides superior performance to handle most tough meat and food grinding jobs. Also this heavy-duty machine grinds up to 9 to 14 lbs per minute.
