Additional 2 Year Compressor Warranty**

CABINET CONSTRUCTION

Standard, cabinet exterior construction includes attractive, wear resistant vinyl on steel in black exterior finish. Top is made from heavy-duty stainless steel including drip tray for easy cleaning. Stainless finish options available.

Standard interior construction utilizes galvanized steel walls and ceiling. Reinforced floor and door sills are made from heavy-duty stainless steel to provide long lasting service.

Door is self-closing and includes key lock. Magnetic gasket provides positive door sealing.

Foamed-in-place CFC and HCFC-free polyurethane insulation enhances the structural strength of the cabinet and helps increase energy efficiency.

Three-inch (3") insulated tower is provided. Tower is adapted to have a continuous source of cold air channeled into it to keep beer at its coldest, best quality the moment it is dispensed.

REFRIGERATION

Models feature forced air refrigeration to keep beer in kegs ice cold for dispensing. Refrigeration system uses R134a refrigerant, which is CFC and HCFC-free for compliance with environmental safety concerns.

ELECTRICAL

Units wired at factory and ready for connection to a 115/60/1 phase, 15 amp dedicated outlet. 8' long cord and plug set included.
