

Chocolate Shot, Drinking Chocolate Machine, Silver

Model: 1BHC235

Chocolate Shot, Drinking Chocolate Machine, Silver
Chocolate Shot Drinking Chocolate Machine, Silver

A circulating dasher in The Chocolate Shot dispenser stirs and tempers your heated chocolate beverages. Use as a heated dispenser for sauces and creamy mixtures served warm, requiring agitation to prevent separation. Constructed of shock-proof non-toxic poly carbonate. Liquid storage dispenser is removable even when full for refrigerated storage. Removable faucet for easy cleaning. Deliciously rich and thick. Designed for mixing and dispensing an espresso like european shot of drinking chocolate. Serve a perfect cup, every time!

- Serve as a dessert or aperitif
- Mix with coffee or alcoholic beverages
- Mix with ice cream
- 5L / 5.3qt / 1.3gal capacity
