Deluxe Cater-Crate Set, Crate w/New Age 6.8 qt. Chafing Dish
Cater-Crate Set Includes Round, 6.8 qt New Age Chafing Dish

Heavy duty carrying cases, custom fitted with high density foam blocks to protect your chafer from being damaged in transit. Cater-Crates® are engineered to secure your Buffet Enhancements New Age® chafing dishes. New Age Large Chafing Dish can be used with induction plates, electric heat, canned heat, or as drop in on a buffet line. Features include removable stand, glass domed lid that stops at 60° and 90°, water recycling system and a multi-layer stainless steel clad bottom for even heat distribution.

Cater-Crate® lids are permanently attached with steel hinges and interlock for maximum stacking strength and stability. Recessed lids and textured bottoms prevent crates from sliding when stacked. Lids close securely and can be locked for extra security. Built in handles are ergonomically designed to for easy lifting.
