

CAMBRO

Combo Cart™ PLUS, Tall, Non-Electric Double Compartment

For Full and Half Size Sheet Pans, GN Food Pans,
Trays and/or Pizza Boxes

Models

CMBP, CMBPHD

Features & Benefits

- Unique and versatile, heavy duty cart with two separate compartments enabling foodservice operators to hold menu items with different temperature and humidity needs. Keeps hot or cold food at safe temperatures for 4 hours or more. Perfect for use on or off premise.
- Tough, durable polyethylene exterior stays cool to the touch and will never dent, crack, chip or rust.
- Thick CFC-free polyurethane insulation throughout cabinet body and doors ensures excellent food temperature holding.
- Heavy-duty, gasket-free, self-venting, vaulted doors open 240° to the side and close flush to the cart.
- Wide, lockable, paddle door latches for easy one-handed opening and closing.
- Spherical bearing plastic door hinges are extra strong and will never rust.
- Slide a standard 5" x 8" (12,7 x 20,3 cm) index card into door Menu Pocket or write directly onto the smooth surface with a grease pencil to identify contents, event or location. Clear plastic panel protects any signage.
- Fourteen pairs of adjustable Universal rails made of Type 304, 16-gauge stainless steel hold full and half size sheet pans, GN food pans, trays and pizza boxes. All items are bottom load except 40 x 60 cm tray is lip load. Add more rail sets to increase holding capacity.
- Two each Type 304, 16-gauge stainless steel column panels per compartment are factory installed on each side to hold rails level and securely in position. Notches for rails are spaced at 1½" (3,8 cm) increments.
- Ergonomic vertical, molded-in rear handles will never break and provide great maneuverability by operators of all heights.
- Molded-in, sleek perimeter bumper offers extra protection for carts and walls.
- Two non-marking caster choices available – all swivel and all with brakes, ensure smooth navigating and easy positioning into transport vehicles.

Model CMBP

Standard High Performance Casters, 6" x 1¼" (15 x 3,2 cm)

Model CMBPHD

Heavy Duty, High Modulus Casters, 6" x 2" (15 x 5 cm)

- Minimal rail assembly required.
- Available in 1 color.
