Custom Sizes Available

NSF

**Applications:** DR Shelving is ideal for any storage application. All welded aluminum dunnage shelving keeps product organized and off of the floor. Prolongs product life by circulating air underneath. 12" height off the ground meets all sanitary health codes. Made to measure for walk-in freezers and refrigerators, general storage and warehouse areas.

**Construction:** Tubular construction with 1-1/2" X 1-3/4" high tensile aluminum tubing. Sturdy straight tubular legs Shipped assembled for immediate use.

**Frame and Cross Supports:** Vertical and horizontal frame sections are 1-1/2" extruded aluminum tubing. Solid high tensile aluminum channel. Plastic bottom feet. All heli-arc welded.

**Custom Sizes and Correctional Packages are available: Call Factory** Optional 5" stem caster assembly (PC5A) for conversion to mobile shelving (Must be factory installed).
