

# MUFFIN PAN MOULD PROFILES

**BUNDY**

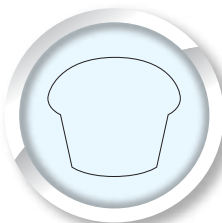

**Chicago  
Metallic**

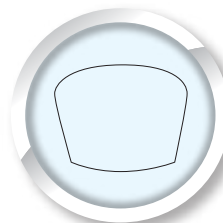

Our **Muffin Pan Mould Profiles** are shown below. All dimensions are in inches. Most Chicago Metallic muffin pan moulds produce a flattened, bell-shaped crown. Other moulds produce a rounded, ball-shaped crown or a flatter, cake-like top. Each mould profile is marked with an (A), (B), or (C) to indicate its muffin crown shape. Refer to the crown shape drawings below.
