

BUTANE & EQUIPMENT

Clean, powerful and portable. Foodservice professionals can't beat the selection of Butane Fuel and Equipment options from Candle Lamp Company. Perfect for any location where you need an "on-site" cooking station, Candle Lamp offers a complete selection of commercial-quality, dependable tools to make cooking anywhere a breeze.

PORTABLE BUTANE STOVE

- Commercial-quality provides dependability and long service life.
- Solid brass burner.
- Auto piezo ignition switch.
- Carrying case included.

BUTANE TORCH & LIGHTER

- Butane Torch helps add the perfect touch to crème brûlées and other specialty desserts.
- Long Reach Lighters provide the safe way to light candles, chafing fuels and other professional equipment.
