

NEW From Continental, Bus Tubs and Covers!

Continental enters the ware washing market segment with bus tubs and covers.

Continental Bus Tubs incorporate cross stacking lugs that work with or without the lids in place.

Convenient "Smart Panel" allows user to write in grease pencil the content ID/date for HACCP Compliance.

Continental Bus Tubs can be nested without lids and are stackable with lids in place.

Three CCP #1525's shown on our popular #5810BK Bussing Cart.

Continental's new Bus Tubs and Covers are NSF Listed, Std 2 Direct Food Contact (white and grey). These items are ideal for food preparation and storage, as well as for traditional food service and bussing applications.

Heavy-duty reinforced, rolled rim increases strength while reducing distortion and breakage. This protects your costly dishes and glassware. Additionally, CCP incorporates comfortable hand-holds in both the short and long sides of the tubs, ensuring a solid and comfortable grip!

Recessed lid design allows the bus tubs to be stacked securely for transport or storage.

CMC #	Description	Dimensions	Capacity	Color	Unit of Measure	Carton Qty
1525WH	Bus Tub, 5"	20" x 15" x 5"D	4-5/8 gal	White	Each	12
