

All measurements are stated in inches followed by the metric equivalent in parentheses.			
Reduced-Tip Probe - Coiled Cable, 12" Stem 50427 	Max Temp Tip: 932°F (500°C) Max Temp Cable: 176°F (80°C) Response Time: 2 seconds, liquids Coiled Retractable Cable with PVC Jacket	Multi-Use Probes with High- Temperature Capability, Continued	
6" Reduced-Tip Needle Probe 50336 	Max Temp Tip: 500°F (260°C) Max Temp Cable: 176°F (80°C) Response Time: 3 seconds liquids Coiled Retractable Cable with PVC Jacket		Standard Needle Probes Can be used to measure inser- tion and immer- sion tempera- tures for food products, liq- uids, and more. Quick and rugged for dependable performance by multiple users.
1/8" Diameter Needle Probe - Straight Cable 39035 	Max Temp Tip: 400°F (205°C) Max Temp Cable: 400°F (205°C) Response Time: 6 seconds liquids Flexible Cable with Teflon® Jacket		
1/8" Diameter Needle Probe - Coiled Cable 50335 	Max Temp Tip: 500°F (260°C) Max Temp Cable: 176°F (80°C) Response Time: 6 seconds, liquids Coiled Retractable Cable with PVC Jacket		
Rugged 1/8" Diameter Needle Probe - Straight Cable 49135 	Max Temp Tip: 400°F (205°C) Max Temp Cable: 400°F (205°C) Response Time: 6 seconds, liquids Flexible Cable with Teflon® Jacket	Heavy Duty Needle Probes For insertion or immersion applications where enhanced durability or a larger handle is desired. Quick and very rugged. Applications include fruits, vegetables, meats, and asphalt temper- atures.	
Rugged 1/8" Diameter Needle Probe - Coiled Cable 50145 	Max Temp Tip: 400°F (205°C) Max Temp Cable: 176°F (80°C) Response Time: 6 seconds, liquids Coiled Retractable Cable with PVC Jacket		
Heavy Duty Needle Probe 50143 	Max Temp Tip: 400°F (205°C) Max Temp Cable: 176°F (80°C) Response Time: 8 seconds, liquids Coiled Retractable Cable with PVC Jacket		
Frozen Product Probe 50101 	Max Temp Tip: 400°F (205°C) Max Temp Cable: 400°F (205°C) Response Time: 6 seconds Stainless Steel Handle and Flexible Armored Cable	Very heavy duty with large handle grip enabling inser- tion into hard product. See Notes on "Frozen Products". Also see 50143.
