CONSTRUCTION... Completely welded cabinet construction and top corners, with outer cabinet formed to base and welded. All seams turned in to eliminate raw edges. All exposed fasteners are tamper resistant. No open crevices or holes. Cabinet divided into two parts with insulated divider between the sections.

CABINET MATERIAL... 300 series stainless steel construction; 18 gauge polished exterior and 18 gauge interior.

BASE FRAME... 12 gauge stainless steel full depth bolsters with 1"x1" 16 gauge stainless steel perimeter tube supports welded to bolsters. Bottom of cabinet completely covered to deter concealed contraband.

CASTERS... Six 8" diameter, industrial grade semi-pneumatic casters. Sealed roller bearing and double ball bearing swivel. Zerk grease fittings. Plate mounted and secured to base with tamper-resistant fasteners and hub threads. Offset wheel-ahead pattern. 4 swivel (corners); 2 rigid (center).

BUMPER... Heavy-duty 1/8 aluminum base with non-marking gray vinyl insert. Reinforced with brackets bolted and welded to body of cabinet. Additional reinforcements from bottom of bumper welded to base of cabinet.

INSULATION... High density fiberglass insulation. 2" thick wraparound in sides, bottom, top, doors & center wall.

DOORS... Non-removable, welded double panel stainless steel; 18 gauge polished exterior and 18 gauge interior. Filled with fiberglass insulation. 270 degree door swing. Latchless design with magnetic closures.

HINGES... Heavy-duty 12 gauge stainless steel strap hinges with 3/8" stainless steel pins welded to each door and cabinet

TRANSPORT LATCH... Welded-on 12 gauge stainless steel transport latch with padlock provision.

PUSH HANDLES... Two 3/4" recessed horizontal full width stainless steel tubular push handles with back up plates. Set in 18 gauge recessed housing, reinforced and welded in place.

NESTED TRAY TRANSPORT... Covered trays nest and stack on floor. Optional tray racks for 12x20x2.5" or 18"x26" sheet pans or Design Specialties T-500 meal trays.

ACCESSORIES/OPTIONS...

- ☐ Tow hitch (pin type)
- ☐ Tray racks; universal slides for pans
- ☐ Tray racks; for T-500 trays
