

PORTABLE GRILLS

PCB-36, 60

Project: _____
Item #: _____
Quantity: _____

PCB models include protective crash bars on each end of the unit and upper and lower crash bars on the front of the unit. The PCB units are designed to stack on top of each other (as shown above) and the optional tables will also nest and stack on top of the grills during storage and transportation.

Our grill bodies, legs, cooking grates, burners, under shelves, radiants, water pans, fasteners, pilot tubes are all constructed of 304 series stainless steel for durability and ease of cleaning. Compared to units made of metal or 430 stainless steel, our units are built to last.

15,000 BTUH stainless steel burners are placed every 5.75" to ensure the most even heat pattern possible. These units heat up to cooking temperature within 5 minutes. Our stainless steel burners and cooking grills carry a 10 year and lifetime warranty, respectively.

Each PCB model includes a quick disconnect gas hose(s) with regulator(s) for propane tanks. PCB-60 is also available with a single gas connection and optional 25' quick disconnect hose for use with a remote tank.

SPECIFICATIONS

- Gas grill constructed of 304 stainless steel including grids, burners and all fasteners
- 15,000 BTUH stainless steel burners
- Two 14" wheels and two total lock casters
- Ready to use: ships completely assembled on a skid
- Extra crash bars on the front and side of the grill
- Storage shelf and angled legs for rock solid durability
- Includes water pans with drain ports to ease cleaning and help eliminate grease fires from occurring
- 16 ga stainless steel radiants that remain in place during transportation and cleaning
- c ETL us, ETL Sanitation listed, Conforms to ANSI Z83.11/CSA 1.8

More Standard Features

- Unibody design for lighter weight and added strength
- Stainless steel pilot burner tube system
- Two stage regulator(s) and hose(s) on LP models
- Factory technician tested prior to shipping
- 1 year parts and labor limited warranty
- Lifetime warranty on body and cooking grids and 10 years on burners

Options/Accessories
