

Crown Verity is proud to announce the introduction of our new TG-3 towable grill. You can take your cooking skills anywhere there's a road or trail. It's ideal for golf clubs due to its lighter weight, (555 lbs.) making it perfect for towing behind a golf cart or vehicle for your catering needs. The TG-3 is shipped fully assembled, and constructed using a top quality trailer, both transport Canada and U.S Dot approved.

The 36" grill is manufactured using heavy 304 stainless steel for virtually the entire unit and offers a cooking surface of 34" by 21" (length times depth) over 5 burners, that are warranted for 10 years. There is ample space up front to stow coolers for storage of food, beverages and condiments. The TG-3 is AGA, CGA, NSF (or equal) approved.

Crown Verity offers the largest selection of commercial stainless steel outdoor portable cooking equipment and accessories in North America.

Please visit our web-site to see our entire line of products at www.crownverity.com

grilled to perfection

Just hitch up our tailgates and **take your cooking skills anywhere there's a road or a trail.**

Our tailgates are like nothing else on the road.

www.crownverity.com

The tg-1 fires up plenty of cooking area over six burners. Another design feature is insulated stainless steel wells for beverages or cold dishes.

The tg-2 is the same unit as the tg-1 but instead of the storage wells, it has an open compartment up front to allow you to stow coolers and supplies for your tailgating needs.

tg-3

Our tg-3 is ideal for golf clubs due to its lighter weight (550 lbs.), making it perfect for towing behind a golf cart or vehicle for your catering needs.
