

NEW PRODUCT INTRODUCTION

DEXTER[®] Traditional[™]

OYSTER KNIFE, Brewster Pattern

For those who prefer the warmth and feel of a real wood handle and the weight and balance of a full tang blade. The **NEW** S18 oyster knife features a proprietary DEXSTEEL[™] stain-free, high-carbon steel blade, with an individually ground blade, and durable tip. The handle is secured to the blade with brass compression rivets. Made in the USA.
