Model Numbers

- ☐ DKJ Series - Junior Kit
- ☐ DKD Series - Deluxe Dinet Kit
- ☐ PKD Series - Pocket Dinet Kit

Dinet-Kits® for the Full Coordinated Tray Top

With easy-open packaging Dinet-Kits® provide fresh condiments selected for each patient's dietary needs. Choose Junior Kits for condiments only, with single or double sweetener. Or select Deluxe Dinet-Kits®, which also include a 2-ply, trimline napkin and 8" flexible drinking straw.

Pocket Kits Simplify Tray Preparation and Protect Flatware

Dinex® Packet Kits provide additional convenience in preparation of patient trays. With a perforated back seam for easy opening, Pocket Kits include diet specific condiments in freshness-sealed wrappers, plus facial-quality trimline napkins and flexible drinking straws. A separate front pocket is provided for insertion and protection of flatware. A "no condiment" pocket kit is also available, with napkin and straw only.

Application

Pre-packaged Dietary Meal kits have been an industry standard in health-care food service for more than 25 years. Dinex® specialty meal kits insure a safe and accurate traytop setting, with color-coded diet indicators to improve trayline efficiency and

nutritional accuracy for your patient. Improve trayline production, patient satisfaction and nutritional care with Dinex® Dietary Meal Kits. Color-coded kits include condiments for the seven industry standard diets, with single or double sweetener.
