

THE HERITAGE COLLECTION®

Application

Patients will welcome a touch of elegance while dining. Rich colors, contemporary faceted styling, and a china-like appearance combine to help de-institutionalize your healthcare food service and making patients feel more at home. Not intended for use in microwave or conventional ovens, hot/cold carts.

Material

Attractive, durable, and stackable, the Heritage Collection® offers the best temperature retention in the industry - as proven in hospitals and nursing homes. Like all Dinex® insulated products, Heritage is manufactured with ozone-safe urethane foam insulation. Available in a variety of contemporary color choices. Latex free construction.

Washing Instructions

Weekly, soaking 6-8 hours, using Wash in commercial dishmachine. Do NOT use bleach. Can withstand washing temperatures up to 180°F.
