

TRADITION

An industry standard known for durability, function and value.

Application

It's easy to see why the Tradition style has become "a tradition" in many healthcare settings. It's durability and temperature retention capabilities are an industry standard - and its sleek design available in eight contemporary colors, offers ease of use as well as traytop appeal. The mugs have a unique contoured lip that is shaped to make drinking easy from any position. The slotted base on all mugs, cups and bowls permit faster drying and efficient stacking. Not intended for use in microwave or conventional ovens, hot/cold carts.

Material

Stackable and double-wall construction insulated with ozone-safe foam. As good-looking as it is functional, Tradition's appealing range of colors coordinate with other traytop products for an inviting mealtime presentation. Features slotted bases for water to drain after dishwashing. Latex free construction.

Washing Instructions

Weekly, soaking 6-8 hours. Wash in commercial dishmachine. Do NOT use bleach. Can withstand washing temperatures up to 180°F.
