Stainless steel panels come standard. A variety of optional laminate panels are available. Please visit Wilsonart® at [www.wilsonart.com](http://www.wilsonart.com) to make your selection.

For more information please contact your local sales representative

## Hydration Cart

- A fully customizable mobile cart that allows for the delivery of hydration and nutrition products to patients and residence at all times of the day
- Full stainless steel construction ensures long-term durability and cleanability
- Customizable to each operation's needs and requirements
- 6" Performa Quiet Casters provide a cart that is easy to maneuver over all flooring types
- The Marine edge around the top prevents any spills from dripping down the side of the cart and onto the floor
- Standard condiment shelf allows for the easy transport of support items
- Standard slide out shelves can accommodate glass racks as well as Coldmaster® Coldpans
- Standard push handle located on right side of unit only, as shown
- Optional drop down shelf can only be located on the left side of the unit, as shown
