Application

Dinex® dome storage carts store and dry both insulated style domes and underliners. The storage carts have individual racks to hold both dome covers and underliners between warewashing, storage, and makeup areas with minimum handling. The Dinex® cart comes complete with the universal dish rack and wire insert.

Construction

The frame and cross supports are 1" (2.5cm) square stainless steel tubing. The all welded frame requires no assembly. The cart is manufactured from stainless steel. Trayslides are welded to the frame. The universal plastic wash racks have a coated wire cradle insert to hold the domes. The dome storage cart is mounted on four 5" (13cm) diameter swivel casters.

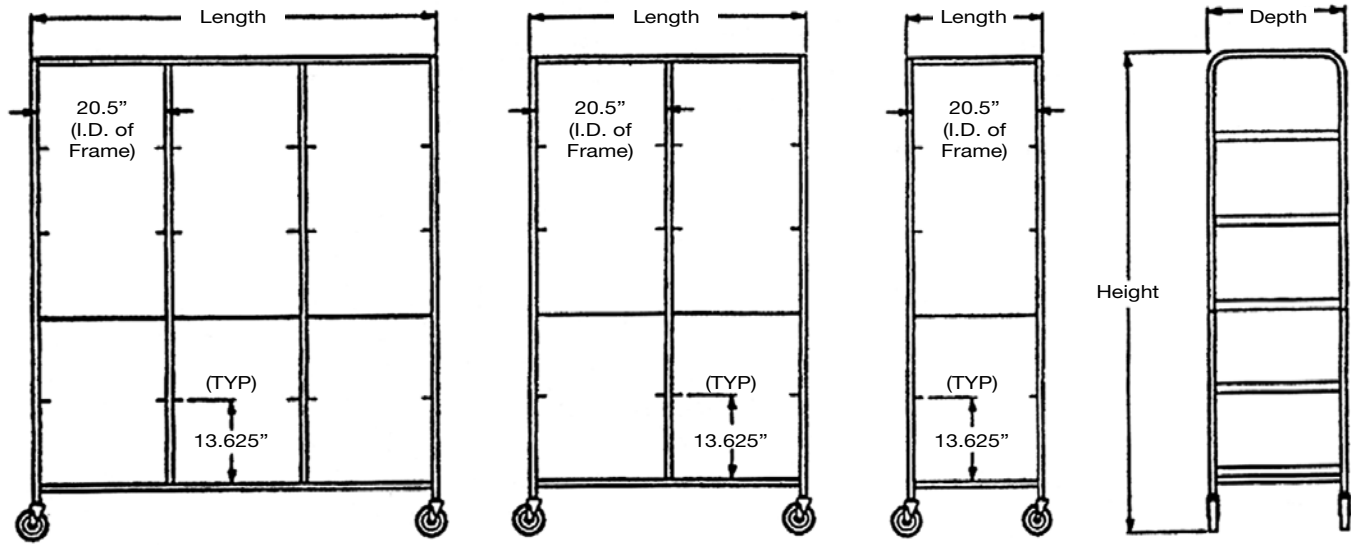

Standard Features

- Accommodates most non-insulated and insulated domes or underliners.
- Mobile
- Two styles - System 7 or System 9
- Plastic racks and wire insert come standard.

Warranty

One year parts and labor.
