

LOW PROFILE TRAY DELIVERY CARTS (Two Door, Two Trays per Slide)

Item Number: DXTS2T2D24
Shown with optional top rail
and menu holder

Application

Low Profile Tray Delivery Base Cart(s) for insulated base, wax base or induction systems. These carts are compatible with all Dinex products for 14" x 18", 15" x 20", 12" x 19", and 12" x 20" trays. These models accommodates two trays per slide.

Construction

Carts shall be constructed with 304 No. 3 finish stainless steel, all welds are ground and polished. Meal delivery carts are heavy duty stainless steel construction as follows:

Top	20 gauge, 304 No. 4 Finish
End/Back Panels	20 gauge, 304 No. 4 Finish
Base	20 gauge, 304 No. 4 Finish
Door Front	22 gauge, 304 No. 4 Finish
Door Back	22 gauge, 304 No. 4 Finish

Top and base are welded to body of the unit for added strength. All exterior welds are ground and polished. Chassis has 14 gauge stainless steel caster channels.

The 1.5" thick, non-marking, polyethylene heavy-duty wrap around bumpers are mounted at full perimeter of the base. Four vertical push handles will be mounted on each corner for optimal ergonomic position when pushing the cart. Vents on three sides are standard.

Cam Action Style Door

The door on all models are double-walled and insulated. The free floating door has a full 270° door swing. Closure is by gravity lock device, which retains the door in both the 270° open position as well as the 0° closed position.

Adjustable Tray Slides

Stainless steel tray slides, 20 gauge are positioned at specified vertical spacing and removable for cleaning. Slides are field adjustable to accommodate 15" x 20", 14" x 18", 12" x 19", and 12" x 20" trays.
