

RITE-1

ADJ-2

ONE-SIZE-FITS-ALL

RITE-1 AND ADJ-2 ONE-SIZE-FITS-ALL IN-COUNTER CUP DISPENSERS

DISPENSE-RITE's One-Size-Fits-All cup dispensers are the only dispensers you will need for a variety of paper, plastic and foam cups. With simple and fast adjustment, these dispensers accommodate a large variety of cups and containers offering you maximum dispensing flexibility.

Quality 304 Series stainless steel construction combined with DISPENSE-RITE's no-jam design guarantees years of reliable dispensing performance. The quick release mounting bracket fully supports the dispenser in horizontal, angled or vertical mounting positions—no additional support is necessary. All models are NSF listed.

SIZE-RITE

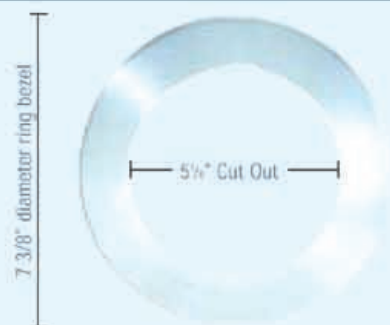

Model No.	Cup Sizes

"F" OR "P" SPRING SELECTION CHART IN-COUNTER CUP DISPENSERS

"F" SPRING

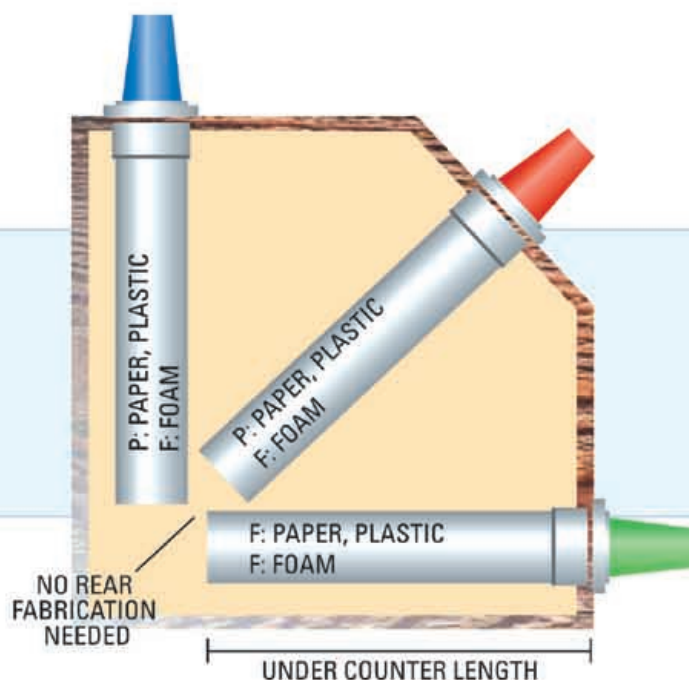

Foam cups in any position.
Paper or Plastic cups in a horizontal position.

"P" SPRING

Paper or Plastic cups in vertical or angled positions.

Dispensers ship with **both** the "F" and "P" spring unless otherwise noted.

See price list for single spring part numbers.
(ie. RITE-1F, RITE-1P, ADJ-2F, ADJ-2P, etc.)

Color Ring Bezels

Optional powder coated ring bezels are available in these popular colors:

- Red (high gloss)
- Black (high gloss)
- Black Ridge (matte textured)

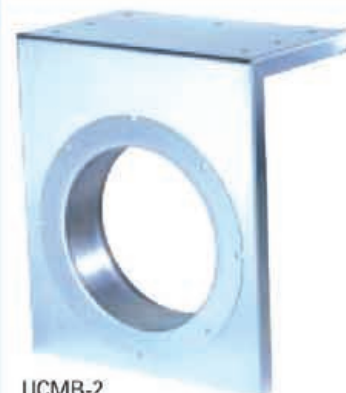

Under Counter Bracket

The optional UCMB-2 stainless steel under counter bracket mounts to any flat surface or wire shelf. This bracket creates a faceplate to mount a RITE-1 or ADJ-2 cup dispenser. Maximum acceptable counter lip is $1\frac{1}{8}"$.

Dimensions H x W x D

$9\frac{1}{8}" \times 7\frac{3}{4}" \times 4\frac{3}{4}"$
