

ACCESSORIES

Complete Compressor Package

DPCD120 Compressor and air dryer

A truly heavy-duty whisper silent compressor. It has been specifically selected to power our DP1300 and DP2300 air driven dough presses. This heavy duty compressor will eliminate the noise and the moisture that is associated with standard compressors.

Features

- High production.
- Very Quite 1/2 hp motor
- Air line dryer included.
- 20 gallon capacity
- Max PSIG 125
- Quick disconnect fittings

In addition to the quality execution and unique customization capabilities, our expert technical support team supports the ProLuxe DPCD120. We are available 24 hours a day/7 days a week to answer any questions and provide you with great, no-debate service support.
