Libero Line Series

Libero Point 3 freestanding self-ventilated downdraft cart

600064 (ELP3UX)

Libero Point 3 (Self-Ventilated Downdraft Cart)-
208V/3ph/60Hz

Short Form Specification

Item No.

The Libero Point 3 freestanding self-ventilated downdraft cart is built to accommodate up to three (3) electric countertop appliances from the Libero Line. Heavy duty stainless steel construction. Integrated radial fan (variable speed) ventilation system that reduces cooking odours from the cooking surfaces of the countertop Libero Line appliances. Air is filtered through the top of the appliance and released at the base. The self-contained air-filtration system is equipped with 3 filters, a dishwasher safe mechanical filter with a fine-meshed metal filter and a carbon activated filter that can be restored in an oven. Large glass top suited for placing dishes to serve customers. Electrical plugs protected by covering plates. Side supports each holding 2 each GN 1/9 (4-1/4" x 6-15/16") containers - 4 in total. Mounted on 4 swiveling wheels (two with brake). Rounded edges and smooth surfaces for easier cleaning. Cord and plug included.

APPROVAL:

Main Features

- Technological 3-stage filtering system composed of: a mechanical labyrinth filter for bigger particles of grease and steam, a mesh (metallic net) filter and carbon activated filters to absorb residual humidity and odors.
- Can accommodate up to three (3) Libero Line tabletop appliances.
- Mounted on 4 swiveling wheels.
- Push open optional neutral drawers for additional storage space.
- Integrated variable speed fan ventilation system with multi-step filter.
- Heavy duty Stainless steel construction.
- Glass side splash guards and stainless steel front serving shelf.
- IP24 protected (Protected from touch by hands greater than 12 millimeters and protected from water spray in any direction).
- ETL safety approved, complies with UL 962 and CSA 22.2 listings.
- ETL sanitation approved, complies with NSF/ANSI 2 listing.
