Gyro machines

GAS SERIES

- Directly from GREECE, the home of the Gyro.
- Visvardis is the most impressive and ergonomically designed gyro machine.
- Patented moveable rear heating element allow the burners to remain at the optimal distance from the meat (you control the distance WITHOUT moving the spit).
- A completely ENCLOSED MOTOR, eliminating grease drippings penetrating the motor.
- Spit motor 110 volts. • Operates on natural or propane gas.
- Extra spits and meat shovel available • All stainless steel

Models available

DG4A
