

CBS-62H **Maritime IP44 Series**

CBS-62H

FETCO's IP44 Series is specifically designed for maritime use. Our IP44 certified compliant coffee brewing equipment is perfect for front-of-the-house and back-of-the-house applications on cruise ships.

- Delivers constant water temperature during 100% of brew cycle.
- Maintains sprayover volume consistency
- Gravity Dispense Tube System that resists lime buildup.

Use with FETCO's LUXUS® TPD-30 3.0 Gallon Dispenser. The LUXUS® TPD-30 dispenser provides hot beverage dispensing in volume. Once filled and capped, the stainless steel, fully thermo-insulated LUXUS® TPD-30 is specially designed to maintain the perfect serving temperature for hours.
