

## Aluminum Dunnage Racks

### Stationary & Mobile

#### Stationary Units

Approved for use in freezers, coolers, displays, as well as packaging and storage areas. These heavy duty all-welded aluminum racks keep product organized and off of the floor. A tremendous selection of standard sizes are available that fit a wide variety of applications and allow you to maximize your space. Weight capacities range between 2,000 and 3,000 pounds.

#### Mobile Units

Ideal for almost any storage application. These versatile mobile racks eliminate wasted storage space. Their sanitary all-weld construction eliminates cracks and crevices that trap dirt. These units easily move loads up to 1200 pounds with their quiet and smooth rolling 5" polyurethane plate casters. Two locking casters allow you to secure unit when loading or unloading. Optional handle is available to make pushing unit easier.

#### Built to Last

Each rack carries a Lifetime Guarantee against rust and corrosion as well as a 5 Year guarantee against material defects and workmanship.

# FOCUS ALUMINUM DUNNAGE RACKS – STATIONARY & MOBILE

Job \_\_\_\_\_

## Stationary Units - Specifications
