

# SECURITY CAGES-Chrome Plated

FOCUS

SHELVING

FSEC183663

- Provides protection for valuable products from loss and minimizes shrinkage
- Heavy duty chrome plated panels have open wire construction so checking contents of cage is easy
- Locking bar on front door hooks both the top and bottom shelf for greater security
- Each front door opens 270° for faster and easier loading and unloading of products
- 4 Convenient sizes to choose from to handle a variety of storage needs
- Security cages can be attached to stationary or mobile shelving units for greater flexibility in use
- Add additional middle shelves for greater storage flexibility
- Shipped knocked down to save on freight costs. Unit is easily assembled.

Each kit contains two front panels, two side panels, two back panels, back panel assembly hardware, and top loop assembly hardware. Use 63" posts for mobile applications and 74" posts for stationary applications.

**Shelves and posts must be ordered separately.**

CHROME PLATED  
SECURITY CAGES

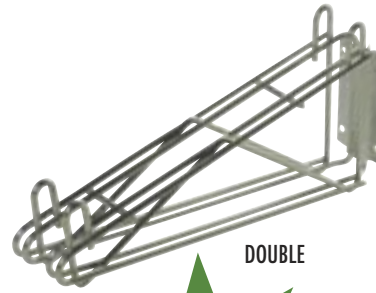

# WALL BRACKETS

FOCUS

SHELVING

Maximize your wall space to get the most storage possible. For greater durability, shelf supports are welded to mounting plates. Green epoxy finish can be used in wet or dry environments. Chrome plated finish is for dry environments.

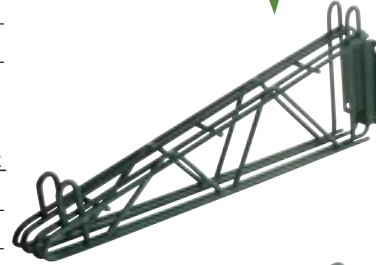

Wall brackets support shelves either 14" (35.5 cm) or 18" (45.7 cm) wide in any length. Order two single wall brackets to support one shelf. For continuous runs of shelving, shelves can share intermediate double brackets. **Order shelves separately.** Hardware is NOT included. Please select according to type of wall.
