## ice and water dispenser base stand accessories

Optional filter system available factory installed in base.

Stainless steel base stand transforms Follett® countertop dispensers into freestanding dispensers. All bases include stainless steel exterior and interior, and stainless legs with adjustable flanged feet.

### Space-saving design

- base stand frees up valuable counter space
- low maintenance, stainless steel exterior and interior offer good looks and long service life
- base stands transform countertop dispensers into freestanding models that can be used with wall drain without the need for a condensate pump

Available with or without factory installed water filter system
