

FOOD PROCESSORS

Model C-4

Model C-6

Small Bowl Processors

These bowl style processors are ideal for mincing, chopping and pureeing a variety of foods. This is achieved without affecting their quality. Cleaning is quick and simple, all bowls and knives are made of stainless steel. The C-4, C-6, and C-9VV models feature stainless steel bodies. All lids feature safety switches. The C-9VV model has two motors with variable speed control.
