

FISH SCALERS

Model EFS

With this electric fish scaler, anyone from supermarkets to seafood processors can scale fish quickly and efficiently. This scaler features a heavy-duty sealed motor, 5' flexible steel, reinforced drive shaft with anti-slip finish, and corrosion resistant, well guarded scaling head. The equipped Diamond Tooth Head is used for the majority of fish (snapper, sea bass, whitefish).

Optional Attachments

MODEL EFS

Eight Flute Tool

Can be supplied in place of the diamond tooth on a new machine for an additional charge or as an accessory. Used on small to medium scale fish that can be prone to damage when scaled by coarser tools.

Six Flute Tool

Can be supplied in place of the diamond tooth on a new machine for an additional charge or as an accessory. Used mainly on large scale fish with thick skin. Some examples include Carp, Buffalo, and Grouper.
