

RADIANT BROILER

RADIANT BROILER

Produces great tasting product with char broiler markings. The heavy duty top grates are reversible. Clean up is easy with a full width grease gutter and large capacity drip pan.

Stainless Steel: Front and sides

Control Knobs: Durable and cool to the touch.

Body: Fully insulated with replaceable inner liner.

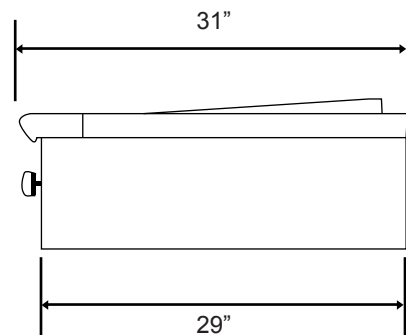

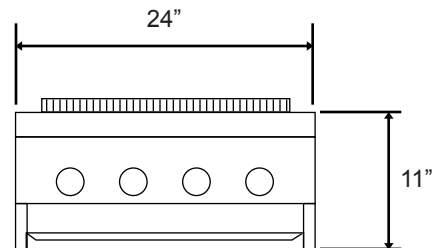

Burners: Controlled individually. (15,000 BTU/hr.) Made from stainless steel and located every 6". Removable reinforced cast iron radiants prevent burners from clogging, and provide even distribution of heat.

Grease Trough: Full width grease gutter, and removable large capacity drip pan.

Cleaning: No tools required to remove top grates, radiant covers and stainless steel burners
