Legs

- 1-5/8" diameter, 16 gauge stainless steel
- Thermoplastic bullet feet

Materials

- 20 gauge stainless steel parts include: all components unless otherwise noted
- 18 gauge stainless steel parts include: leg pads

Product Information

All Sink Cabinets are 24" deep and available with or without a locking door. The 12" wide chemical storage cabinet holds three 1-gallon chemical containers. The 18" wide dry waste cabinet holds a trash receptacle and has a 6" round trash chute in the work surface. The trash receptacle is not included.

The two 24" wide models include a 12" drainboard section with corrugated work surface. A vertical center divider allows three 1-gallon chemical containers to be stored below the sink with the other side of the cabinet available for additional storage. An intermediate shelf for the cabinet storage below the drainboard is available as an accessory. The sink may be located to the left or right, which is signified by the L or R in the model number.

Accessories

03000483	Wet waste sink strainer	TR	Towel ring
C-LSB-D	Left side splash	03013600	Shelf kit for storage area below drainboard on C-SC-24 models
