# Mobile Ice Baths

MIB-36, MIB-36-H, MIB-36-ED  
MIB-48, MIB-48-H, MIB-48-ED

## Standard Features

- Designed for iced product storage and merchandising, especially long neck bottled beer
- CFC free foamed-in-place insulated cabinet and ABS breaker strip around liner prevents exterior condensation
- Heavy duty construction with attractive black vinyl clad exterior that resists scratching
- Stainless steel top, liner, and perforated drain pan inserts with 1/4" radius interior corners for easy cleaning
- Built-in storage area below ice bin. Stainless steel floor has 1/4" radius corners for easy cleaning
- No plumbing required. Includes a flexible drain line with on/off valve for draining when most convenient
- The standard models have a 30" work height
- The '-H' models feature a taller cabinet base and a 36" work height
- The '-ED' models feature extra deep bath and a 36" work height
- All models available in lengths of 36" or 48"
- Optional towel ring and bottle opener/cap catcher available

## Specifications

### Drain

- 1" stainless steel welded tailpiece. Includes factory installed flexible drain line with on/off valve
- No plumbing required.

### Casters

- Four 3" heavy duty rubberized casters
- The two server side casters are locking

### Bottle Capacity

- MIB-36 and MIB-36-H hold 96 long neck beer bottles when placed upright with space around each bottle for ice
- MIB-48 and MIB-48-H hold 128 long neck beer bottles when placed upright with space around each bottle for ice
- Long neck beer bottle capacity on '-ED' models is at least as much as the standard and '-H' models, but may be more depending on bottle placement

### Materials

- 20 gauge stainless steel parts include: top, interior liner, perforated inserts and cabinet floor

### Materials (continued)

- 16 gauge galvanized steel parts include: base channels
- 22 gauge galvanized steel parts include: cabinet base interior sides
- 22 gauge black vinyl-clad steel parts include: exterior front, back and sides
