

# 3000 Series

## Standard Beverage Freezers

**MODEL 3312**

**MODEL 3311 or 3511**

### The Perfect Choice...

3000 Series Freezers are the industry workhorse because of the wide variety of drinks that can be served from them. Enhanced merchandising, space conscious sizing and simple operation combine great drinks with greater profitability.

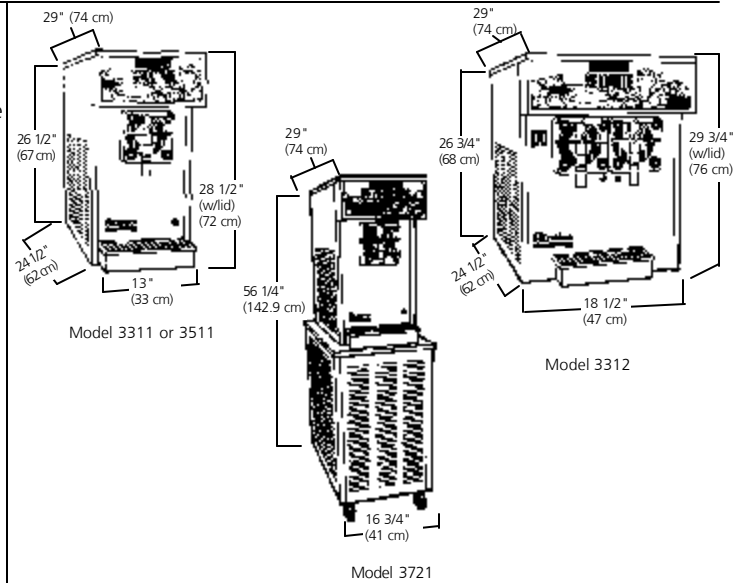

## 3000 Series

## Standard Beverage Freezers

### Standard Features:

- Versatile...serve frozen cappuccino/granita latté, frozen cocktails, granita, frozen fruit juices, frozen lemonade or slush
- Patented FlavorLight™ illuminates the frozen product...your choice of eye catching back-lit signs draw customers and increase sales
- Compact...More than double the output capacity of visual freezers, single only 13" (33 cm) wide, twin only 18.5" (47 cm) wide
- Freezing cylinder automatically refills from refrigerated storage hopper...no need to wait for product to refreeze after refilling
- "Mix Low" light indicates when mix is low in storage hopper
- Reliable mechanical consistency control...dispenses perfect product under all operating conditions
- Oversize drive motor, rugged belt drive and heavy duty components keep freezers running when you need them most.
- Optional front mounted spinner blends in an unlimited variety of custom flavors.
- Optional automatic refill eliminates product handling
- Optional matching base stand with casters converts counter models to floor models
- High output Model 3721 is ideal for locations such as theme parks, carnivals and special events
