

Contract Chaise Cushion with Hood

Features and Benefits

- Hood and velcro side ties to secure cushion from sliding off chaise.
- Specifically designed for comfort and low maintenance in hospitality use.
- A cost-effective way to refurbish your resin chaises for extra comfort and refresh the furniture of your pool deck with vivid colors.
- Combines the soft, drapable and comfortable feel of fine interior fabrics with the strength, durability and ease of maintenance of solution-dyed polyolefin and vinyl-coated polyester yarns.
- Fully tested to 1,000 hours for fade resistance in laboratory tests to meet ASTM G53-96 performance standard for commercial outdoor furniture fabric. Complies with ACFFA requirements.
- Sunsure® Textilene fabric resists mildew, absorbs virtually no moisture, dries quickly after a summer shower and is easy to clean. Fabric content: 27% olefin, 14% polyester, 60% PVC.
- Excellent shape retention.
- Quick dry polyurethane foam.
- Clean regularly with a mild soapy solution and luke warm water, rinsing thoroughly with clean water to remove all soap and allow to air dry.

WARRANTY: 1 Year.
